--- Series “A” - Pouch Tobacco - by CBN - 23 x 42 mm. ---

--- 1/9th Pound - *perf 12* - used by “Imperial Tobacco”, Granby (1-23-D) - 1934-35 ---

The 1/9th pound Series “A” **RN-4** approved by CBN *with change in the cancellation panel* on September 27th 1934, and for Ottawa by P.L. Smyth on October 9th 1934 is first recorded in the collection as used by **1-23-D** in November 1934 and is last noted as used in April 1935.

RN-4 - 1/9th pound, perf 12, coded **1-23-D / BED** by “Imperial Tobacco”, Granby, for November 1934

[RN-4]	Jan.	Feb.	Mar.	Apr.	May	June	July	Aug.	Sep.	Oct.	Nov.	Dec.
1934	---	---	---	---	---	---	---	---	---	---	**BED**	**CED**
1935	**AFA**	**BFA**	**CFA**	**AFB**	**BFB**	---	---	---	---	---	---	

The collection *does not* contain a copy of the Lee Brandom 2/25th pound stamp. I *have not seen* a copy of this item. Is this a catalogue misprint for the 2/15th pound stamp?

I cannot see why a 2/25th pound stamp would have been engraved in Series “A”, or used in mid-1930, and Lee Brandom does not list a 2/25th pound stamp in Series “C”.
